ANRF + NIT Rourkela Research X Impact Conclave 2026

Poster Guidelines

Agriculture

HEX: #B2CB91
RGB: 178, 203, 145

Health

HEX: #FF9900
RGB: 255, 153, 0

Energy

HEX: #FFFF66
RGB: 255, 255, 102

Environment

HEX: #8ADFFF
RGB: 138, 223, 255

1 Poster Dimension & Orientation

AO — Portrait Orientation

Print-ready research poster

- Dimensions: 841 × 1189 mm
- Orientation: Vertical (portrait)
- Aspect ratio: 1 : 1.414
- Recommended export: PDF
- Print resolution: 300 DPI
- Colour mode: Confirm CMYK/RGB

2 Theme-wise Background Colours

Apply the designated theme colour to the header and outer border/background of the supplied template. Retain the large white content area so that graphs, diagrams and research text remain easy to read.

Agriculture #B2CB91
RGB 178, 203, 145

Health #FF9900
RGB 255, 153, 0

Energy #FFFF66
RGB 255, 255, 102

Environment #8ADFFF
RGB 138, 223, 255

3 Poster Section

- **Header:** Retain "ANRF + NIT Rourkela Research X Impact Conclave 2026" as shown in the template.
- **Institutional logos:** Preserve the ANRF logo on the left and NIT Rourkela logo on the right. Add another logo of your Institute only where appropriate.
- **Research title:** Replace "Title" with a concise, informative research title. Center it in the header and use bold text.
- **Author details:** Include author names, affiliations, department/institution and corresponding author email where appropriate.

Theme-wise Research Focus

Agriculture

Smart farming, precision agriculture, crop monitoring, irrigation, food security, post-harvest technologies.

Health

Healthcare technologies, diagnostics, biomolecular research, regenerative medicine, digital health.

Energy

Green hydrogen, storage, renewables, microgrids, energy efficiency.

Environment

Water management, air quality, waste management, environmental monitoring, sustainability.

Your Research Title Here

Author Name(s)

Department / Institution

Email: yourname@institute.ac.in

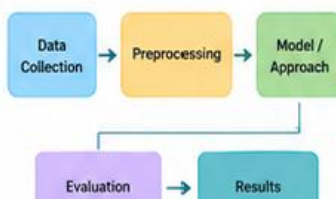

1. Introduction

- Research problem and motivation
- Importance and background
- Research gap

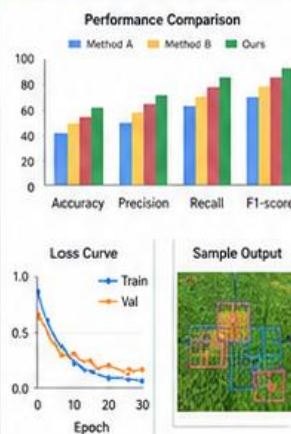

2. Objectives & Novelty

- Research objectives
- Key contributions / novelty

3. Methodology

4. Results & Discussion

5. Impact

References & Acknowledgements

- Select references
- Funding / Grant details
- Acknowledgements (collaborators, facilities, etc.)

Scan for more details

6. Conclusion & Future Work

- Key findings
- Principal contribution
- Potential real-world benefit
- Future research directions

4 Content & Typography Guidelines

Title	60–80 pt, bold
Author names	30–38 pt
Affiliations	24–30 pt
Section headings	30–36 pt, bold
Main text	24–28 pt
Figure captions	18–22 pt
References	18–22 pt
Margins	20–25 mm

- ✓ Use a consistent, easily readable sans-serif font.
- ✓ Ensure high contrast text on coloured background (for header and border).
- ✓ Use dark text on light sections.
- ✓ Keep content concise with clear visuals.

5 Research Content Expected

- 1 Introduction and motivation (Problem, significance)
- 2 Objectives and novelty (Goals, original contribution)
- 3 Methodology (Workflow / model / setup)
- 4 Results and discussion (Charts, tables, images, findings)
- 5 Research impact (Scientific / technological / industrial / societal)
- 6 Conclusion and future work (Summary, next steps)
- 7 References and acknowledgements (Citations, funding, collaborators)

6 Final Submission Checklist

- ☐ Use the supplied template
- ☐ Apply the correct theme colour
- ☐ Keep the content in the white area
- ☐ Include logos and event header
- ☐ Ensure readability and clarity
- ☐ Verify data, references and acknowledgements
- ☐ Export to PDF (A0, portrait)
- ☐ Check file before printing
